Hi Aaron,

As long as it is within the boundaries of the GNC grant area, it is applicable. Let us know if you plan to apply and David and I can discuss being the USC sponsor for this. Below is a one-stop shop for some quick questions to GNC, including the service area map.

Hi Melinda,

Just wanted to follow-up with you about the Good Neighbors grant opportunity and see if you had found out if homeless outreach services might be something to pursue or not.

Thanks,

Figueroa Corridor Partnership Foundation, it's a 501 c 3.
Yeah, we're the lead community partners applying for the grant.

Aaron, what is the name of the non-profit arm for the BID, if there is one? I'm assuming that's who is officially applying for the grant, correct?

David,

Just a heads up that the user name you guys sent, dgalaviz, didn't work so I was able to create an additional name for you. It's your full name, davidgalaviz. You'll likely get an email on the new name creation.

Thanks,
Aaron

Hi David and Melinda,

Attached is word doc with a few items we need from you for the grant application for homeless outreach. It's not too bad, basically a support letter, David's user name for the grant application site, and a one-paragraph staff bio.

The grant app is due next Friday (2/24) @ 10pm, and I'm asking for items back by the end of the day next Thursday (2/23) at the latest.

PATH is also working on a list of items for me and I've started filling out the application.

Any questions on anything, please let me know.

Thanks,

Aaron

Aaron - Thanks for info. We can definitely talk to our supervisors about sponsoring. Would you all write the application?

Hi,

Steve and I discussed, and think the grant is a good opportunity to get homeless outreach back in the District.

It would be great if your office can be our sponsor too.

At this point, our plan would be to apply for \$60K to bring back the same level of service (8 hrs./week) we previously had in the District for homeless outreach using PATH.

The link to the application hasn't been added to the website yet, but I spoke with someone at the Good Neighbors office yesterday and it will be posted soon. I'll keep an eye out for when it gets posted.

On a related note, today's L.A. Times California section had an article on the Downtown Center BID and the outreach services PATH provides for them.

Thanks,
Aaron
